

The British Motorcycle Association of Colorado had its annual Christmas party on December 3rd, 2016. Jerry and Nancy Pokorny once again hosted the party at High Forest Ranch Lodge. We had a great turnout of members and spouses who enjoyed the BBQ from Famous Dave's. After dining and the award ceremony, John Stoner led a spirited gift exchange, with lots of stealing and good times.

The annual awards ceremony included many BMAC Awards & Honors. The history of these awards is on the website (www.bmacinc.com under the 'Who We Are' tab). Three members entered their bikes for the **Restoration Award**. Todd Wallis, Jay Tynes, and Jerry Pokorny all finished great projects, with Jerry winning the award for his Triumph Bobber. Frank Puckett accepted the **Sherm Schroeder Award for Motorcycle Engineering**. The Honda Bonneville Sidecar was also engineered with the help of Jim LeFebvre, Lenny Spall, Dana Robbins, and Ray Puckett.

Jerry Pokorny gave his **Carpe Diem LSR award** to Frank Puckett. Frank joins Jack Bergman, Ed Kretz, Jr., Bill Brokaw, and Mel Downs as those that Jerry recognizes as living life to the fullest! Brian House, one of BMAC's founding members, knighted Frank Puckett to join **the BMAC Knights & Dames** in recognition for his efforts on behalf of the club. Brian also presented John Scheibeler with his **25 year BMAC pin**. Thanks go to Brian and John for their long-standing support of our club. **10 year BMAC pins** were presented to Gary Hopkins, Bob and Denise Wendl, and Mervyn Mundorf. Karen Wallis received her **5 year pin**. The party ended with the BMAC dessert cake. Yum, Yum!

Merry Christmas and a Happy New Year to all our members and their families!
